

RECIPE FOR SNOW ON THE MOUNTAIN

This is a traditional Macomber recipe around the Christmas holiday. As crazy as the ingredients sound, it really is delicious.

Line up the eleven dishes in the order below. Pile the ingredients on your plate, starting with step one, and build a mountain

1. Six to eight cups cooked rice
2. Chicken in gravy. (I usually stew a chicken, take the meat off the bone, and use the broth for making the gravy.)
3. 4 sliced tomatoes
4. 2 cups chopped raw onions
5. 11 oz crispy Chow Mien noodles
6. 1 cup sliced celery
7. 7 oz sliced green olives (or black if preferred)
8. 12 oz shredded cheddar cheese
9. 1 lb can crushed pineapple
10. 1 cup sliced almonds
11. 1 small package grated coconut
